Miami has gone from 0 to 60 in terms of quality art galleries in the last few years. Wynwood has exploded and talent abounds. Here's where to find the best.

David Castillo Gallery

Castillo is something of a prodigy. He's a Yale grad who can sell art in five languages and reps talent such as Luis Gispert, Jillian Mayer and the TM Sisters. He is one of only two local galleries invited to Art Basel, which is kind of a big deal.
