The itinerary of cultural offerings during the run of Art Basel in Miami Beach has evolved immensely since the fair's first outing in the city in 2002. Now there is an entire seven days of art-related festivities dubbed Miami Art Week, with a variety of other great fairs to see such as NADA, Design Miami, Untitled, Pulse, Art Miami, Prizm Art Fair and FREE!, a new one this year that bills itself as "the first alternative, non-commercial, contemporary art fair." And the fairs themselves are rich with programming beyond the booths. At Art Basel this year, for example, Abraham Cruzvillegas will stage his acrobatic performance piece and installation *Autorreconstrucción: To Insist, to Insist, to Insist...*, in the Convention Center's grand ballroom. But some of the best art and design can be found beyond the fairs as the city's top institutions, galleries, and design stores put on their best events, exhibitions and happenings. Here, we have curated a list of our top picks to facilitate your planning. Read on.
