JEFFREY DEITCH AND LARRY GAGOSIAN, “ABSTRACT / NOT ABSTRACT”

Since 2015, renowned art dealers Jeffrey Deitch and Larry Gagosian have collaborated on an exhibition during the week of Art Basel Miami Beach titled “ABSTRACT / NOT ABSTRACT.” Exploring the development of contemporary abstract painting, the exhibition features over 30 artists whose work redefines the term “abstraction” itself, including Urs Fischer, Tauba Auerbach, Sterling Ruby, Christina Quarles, Dan Colen, and Analia Saban.

“ABSTRACT / NOT ABSTRACT” is on view at the Moore Building in Miami’s Design District from December 6 to 10.
