Some 269 international dealers have made the cut for the 2016 edition of Art Basel in Miami Beach, the fair announced today. The exhibitors come from across the Americas, Europe, Asia and Africa, and 21 of them are new to the fair, which will run December 1–4.

Some 77,000 people attended the fair's 14th edition in 2015, a year marked by biblical rains and the bizarre stabbing assault on a fairgoer as well as the more customary robust sales.

The 2016 exhibitors come from 29 countries, from Argentina to the United Kingdom. Among the first-timers are New York's JTT and Callicoon Fine Art; Various Small Fires, from Los Angeles; House of Gaga, from Mexico City; Edouard Malingue Gallery, Hong Kong; and Simões de Assis Galeria de Arte, from Curitiba, Brazil.

As in past years, the fair includes, in addition to the main galleries section, areas called Edition (focusing on prints and editioned works), Survey (work from before the year 2000), Positions (individual artists presenting major projects), Nova (newer galleries), Public (exhibiting works outdoors, in Collins Park), and Film.

The list of exhibitors follows, with locations and, in some cases, the artists they're showing:
