David Castillo Adds Yesiyu Zhao to Roster

Miami-based gallery **David Castillo** now represents Brooklyn-based artist **Yesiyu Zhao**. Through his painting practice, Zhao attempts to humanize communities that have historically been “othered” by creating images that show the beauty within these communities. Zhao’s first solo exhibition is currently on view in the DC Triangle at David Castillo through July 3. Zhao will have a solo exhibition at David Castillo’s flagship location in 2022.
