Alongside the main Galleries section, the fair will also feature 19 exhibitors in the Positions section for solo presentations of emerging artists, 23 galleries in Nova for new work by up to three artists, 17 galleries in Survey for work made before 2000, and 11 exhibitors in Editions for prints and editioned works. (Details on the Meridians and Kabinett sections will be announced at a later date.)

In a statement, Art Basel global director Marc Spiegler said, “It is truly exciting to celebrate our 20-year presence in Miami Beach. Over the last two decades our show has not only reinforced its pivotal position in the region—uniquely bridging the art scenes of North and South Americas, Europe, and beyond—but also played a galvanising role in the city’s profound cultural transformation. The increasingly diverse range of galleries and artistic voices represented will make our show richer in discoveries than ever before.”
