### “The Floral Impulse” at David Castillo

Xaviera Simmons, *Florals, (Two)* (2022). Courtesy of the Artist and David Castillo.

Multidisciplinary artist Xaviera Simmons and David Castillo co-curated a show featuring 25 artists whose work contemplates the symbolism of the flower as a representation of celebration as well as mourning. You'll find everything from still lifes to Lyle Ashton Harris's *Love Split*, a photo collage featuring cropped white lilies in a glass vase while referencing everything from the death of John F. Kennedy Jr. and Carolyn Bessette-Kennedy to the artist's own body.

3930 NE 2nd Avenue, Suite 201, Miami; November 29, 2022–January 28, 2023.
